# "Adopt a Sample"

*HELP us monitor the Millers and Otter Rivers.*

*Your \$25 donation helps with a sampling date at a site along the River. \$150 for the season.*

MRWC will sample for bacteria to test the health of the river and check its water quality for healthy recreation.

We plan to sample again this summer, May to September, and need 50+ donors to make this work!

*Support water testing & the success of this monitoring program!*

Send donation to:

Millers River  
Watershed Council, Inc.  
100 Main Street, Athol, MA 01331

Note: "Adopt a Sample"

## THANK YOU!
